About Me:

I am a web and graphic designer with nearly two decades of experience, beginning my career in 2004. Over the years, I have worked on a wide range of projects, specializing in website development, branding, and user experience design to deliver impactful, results-driven solutions.

From 2018 to 2025, I also served as an instructor in graphic and web design at an INGO, mentoring and guiding aspiring designers. Today, I focus fully on freelance and professional design work, combining creativity and functionality to bring clients' visions to life.
